

SUPPORT SERVICES MISSION STATEMENT

The mission of the Sutton Public School District Support Services Program is to provide a comprehensive, developmental program addressing the academic, health/wellness, personal, social and career development of all students. Support Services Professionals include nurses, guidance counselors, school adjustment counselors, school psychologists and social workers who are advocates that provide assistance to maximize student potential and academic achievement. In collaboration with other educators, parents or guardians and the community, support services professionals facilitate the programs, communication and assistance to ensure all students in the Sutton Public School District have access to and are prepared with the knowledge and skills to contribute at the highest level as productive members of society.
