

STUDENT DISMISSAL

The school is responsible for the safety of children during the school day. Therefore, each school will follow established procedures to validate requests for early dismissal to assure that children are released only for proper reasons and into proper hands, in executing this policy it becomes prudent that:

No student will be released from school early on the basis of an invalidated telephone call.

Children of separated parents are released only upon the request of the parent whom the court holds directly responsible for the child and who is the parent or guardian indicated on the school record.
